

Mains and system protection - Mains and system protection

Status: **Available** Data sheet created: **24.11.2022**

Item Number: 2700100G - Serie: RE - EAN: 9008662016408

- ✓ Mains and system protection, multinational, 64 memory locations
- ✓ Frequency and voltage monitoring
- ✓ Functionally safe due to internal redundant design
- ✓ Menu-driven; integrated test function easily selectable Measuring voltage up to 3 x 400/230V AC
- ✓ Auxiliary voltage 24V DC; 110-240V AC
- ✓ 3 changeover contacts
- ✓ Series installation Width 107 mm
- ✓ Installation type

Description

Safe and standard-compliant operation of power generation plants with globally applicable mains and plant protection.

General information

Short description	Mains and system protection, multinational, M64, version G
Item Number	2700100G
EAN	9008662016408
Main category	Grid & System Protection
Series	RE
Type	NA003-M64 Version G
Dimensions	106.3 x 90.5 x 62 mm

Logistics

EAN 9008662016408
